# 1 Custom Print Flags

## **Custom Print Swoopers/ Original Design: Model: SW89999/SW89998**

Swooper Flags are a great way to advertise. These custom print swoopers are 152" tall by 28.5" wide! Big, colorful, and bold! They are the perfect way to bring in customers and get your message out there! Made from 150 denier polyester. We use upholstery thread for the seams and to reinforce the pole pocket. With a 95% bleed through, they look incredible. Printed with a textile printer for the best quality! Available in single sided or double sided print. The best price you'll find in the nation! We also offer semicustom designs at a fraction of the price, with minor tweaking of font/text and color as an option.

## **Custom Print 2x3, 3x5, 4x6, Pennants, Stick, and Car Flags Model: Varies**

Custom print is a great way to advertise. Customized, colorful, and bold! The perfect way to show you mean business. Made from the same quality material as the swooper flags. All custom print flags feature 2 brass grommets strongly crimped to heavy material on a headband, or a flag pole sleeve made from quality nylon and reinforced with upholstery thread. Easy flag pole attachment. Made from high quality polyester material. Bright Graphics & Colors. Light weight to fly well in the mildest wind. Color fast to reduce fading. Available in single sided or double sided print. Car flags include the window attachment. We have a minimum of 6 order requirement for car flags. Custom sizes available!

## **Posters, Headers, and Vinyl: Model: S/O**

Customizing your sign or a-frame is done easily by our custom print department. Just supply us with your art. We employ the use of high tech equipment such as computerized laser cutters and engravers, CNC routers & panel saw, plus vinyl lettering and wide format full color printers to give you custom signage you can be proud of with full or partial full color pictures and posters. Custom sign design and custom signage is our specialty at reasonable prices.

## Swooper Flags 2

These Swooper(aka feather) flags are amazing! 15 feet tall when mounted on the sturdy 3 piece pole. Talk about an attention grabber! They move, dance, and flap to catch the eye of consumers! They are made from a dense German mesh weave, 150 denier light-weight polyester. They will fly in the slightest breeze, and are made to last. Because of the popularity and nature of the product there are always titles being added to our inventory. Make sure to check out our website or give us a call if you don't see what you're looking for. If we don't have it we can make it for you!

PLEASE NOTE: Super flags & poles are not interchangeable with standard poles and flags.
