1 A-FRAME STYLES

All of the A-Frames Listed below are available in a variety of sizes and have many panel selections to choose from including Acrylic, Chalkboard, Dry Erase & Corex or full color posters. The panels are listed on page 3.

All of the listed signs are double sided as well, meaning that you get two panels to every sign! Please feel free to call if you have any questions regarding our products.

Hardwood A-Frame

Hardwood A-Frame

Model: NS

A-Frame Stock Sizes: 24"x 36" - 24"x 48" - 24"x 60"

We can do custom sizes too!

Wood is an upscale look in an A-frame sign or sandwich board sign! Sealed with "deck sealer" and with NO nuts, bolts, metal hinges or screws to rust this wood sidewalk sign is completely weather proof.

PVC A-Frame

PVC A-Frame

Model: NSPV

A-Frame Stock Sizes: 24"x 36" - 24"x 48"

These portable indoor-outdoor PVC A-frame signs are made from window grade PVC material & UV treated. This makes them very weather resistant. You can fill the leg cavities with sand and double it's weight for greater wind resistance!

Steel A-Frame

Steel A-Frame

Model: NSS

A-Frame Stock Sizes: 24"x 36" - 24"x 48" - 24"x 60"

What do they make bridges, all types of heavy equipment and skyscrapers out of? You guessed it - steel! Because of strength and long life in inclement weather conditions! This A-frame is black powder coated steel for years of use in all weather conditions!

Aluminum A-Frame

Aluminum A-Frame

Model: NSA

A-Frame Stock Sizes: 24"x 36" - 24"x 48" - 24"x 60"

This A-frame is made of not just plain aluminum, but an anodized magnesium metal alloy for long lasting elegance & beauty. With no nuts, bolts, metal hinges or screws to rust means this aluminum sidewalk sign is completely weatherized! You can fill the leg cavities with sand and double its weight for more wind resistance!

A-FRAME STYLES 2

Vinyl Clad A-Frame

Vinyl Clad A-Frame

Model: NSX

This vinyl clad A-frame sidewalk sign comes in three popular sizes: 19"x 24"x 1/2" - 7 ply plywood, 24"x 32"x 5/8" - 8 ply plywood and oversized 32"x 48"x 5/8" - 8 ply plywood.

These frames are ready to apply vinyl lettering and/or graphics to and are heavy enough to resist being blown down in moderate windy conditions!

Wind Sign

Wind Sign

Model: WS

This Sidewalk Wind Sign is unbelievable in areas you encounter higher than normal winds, and the wind is the enemy of all outdoor signs, especially portable signs! The springs let the sign give with the wind and pop right back into the upright position without blowing over or sliding! The base can be filled with several quarts of water or sand to add ballast! This sidewalk Wind Sign will stay where you put it!!

Plasticade A-Frame

Plasticade A-Frame

Model: NSP

Overall dimensions: 25"x 45"

Accommodates 24"x 36" panels.

This A-frame sidewalk sign is a direct descendent of the roadside sign frames used by road crews all over the world working in adverse conditions everyday. You can fill the body cavity with over 10 lbs of sand for ballast to withstand windy conditions!

Poly A-Frames

Poly A-Frames

Model: NSP-2228FO

Model: NSP-1824FO

This poly plastic A-frame sign will take lots of punishment and abuse. It won't crack, peel or splinter from the sun, wind, rain, sleet or snow, we call it our "postman's" curb sign... Poly plastic a-frame signs, sidewalk signs, sandwich board signs and curb signs. Weather proof and choice of acrylic, chalkboard, dry erase & corex insert panels to fit your exact needs!

Model: NSP1824FO

Model: NSP2228FO

3 A-FRAME PANEL SELECTION

Choosing your panels

Most of our A-frames come with a selection of several different removable panels. Due to the variety of advertising mediums, businesses, and locales, selecting just the right panel can sometimes be difficult. Below are some descriptions of them to help you select just the right one for you or your customer. If you have any questions please contact us and our experienced representatives can help you with your selection.

Types of Panels

Coroplast:

- ☑ Corrugated polypropylene material
- ☑ Construction similar to heavy cardboard, but plastic.
- ☑ 100% weatherproof.
- ☑ Lightweight, but tough and rigid.
- ☑ Great for posters, track lettering, or vinyl lettering.
- ☑ Reversible.

Chalkboard:

- ☑ Tough Melamine.
- ☑ Scratch resistant.
- ☑ Works great with our liquid chalk.
- ☑ Highly weather resistant.
- ☑ Comes in black or green.

Dry Erase:

- ☑ Tough Melamine.
- ☑ High gloss white finish.
- ☑ Great performance with dry erase.

Acrylic:

- ☑ Made of Acrylic Glass.
- ☑ Cast molded.
- ☑ 100% weather proof.
- ☑ Reversible.
- ☑ Available in black or white.
- ☑ Also new Matte finish available!

Letter Kit:

- ☑ Black letters/red numbers or blue letters/red numbers.
- ☑ 4 1/8" tall letters and matching tracks.
- ☑ 100% weatherproof.
- ☑ Easily change messages.

Sign Posters:

- ☑ Full color.
- ☑ Bright and attention grabbing.
- ☑ 100% weatherproof.
- ☑ Printed on durable vinyl.

2 x 3 and 3 x 5 flags all feature 2 brass grommets strongly crimped to heavy material on a headband. Easy flag pole attachment. Made from high quality polyester material. Bright Graphics & Colors. Light weight to fly well in the mildest wind. Color fast to reduce fading. Car flags have a minimum order of 6 and include the window pole. Please refer to our swooper catalog for details regarding stock and custom swooper flags.

Vinyl Banners with stock titles give you the biggest savings because we can make them dozens at a time & put them on the shelf for future orders! Low cost, cheap bulk pricing! Custom titles are a little more money, but you choose you own wording, graphics & logo with a custom banner sign!

Custom Print Flags

Custom Print Car Flags, 2x3, 3x5, 4x6, and Swoopers :

Model: S/O

Custom print is a great way to advertise. Customized, colorful, and bold! The perfect way to show you mean business. Made from the same quality material as the swooper flags. All custom print flags feature 2 brass grommets strongly crimped to heavy material on a headband, or a flag pole sleeve made from quality nylon and reinforced with upholstery thread. Easy flag pole attachment. Made from high quality polyester material. Bright Graphics & Colors. Light weight to fly well in the mildest wind. Color fast to reduce fading. Available in single sided or double sided print. Car flags include the window attachment. We have a minimum of 6 order requirement for car flags. Custom sizes available!

Posters, Headers, and Vinyl: Model: S/O

Customizing your sign or a-frame is done easily by our custom print department. Just supply us with your art. We employ the use of high tech equipment such as computerized laser cutters and engravers, CNC routers & panel saw, plus vinyl lettering and wide format full color printers to give you custom signage you can be proud of with full or partial full color pictures and posters. Custom sign design and custom signage is our specialty at

5 FLAGS & BANNERS

Swoopers & Hardware

These Swooper(aka feather) flags are amazing! 15 feet tall when mounted on the sturdy 3 piece pole. Talk about an attention grabber! They move, dance, and flap to catch the eye of consumers! They are made from a dense German mesh weave, 150 denier light-weight polyester. They will fly in the slightest breeze, and are made to last. Because of the popularity and nature of the product there are always titles being added to our inventory. Make sure to check out our website or give us a call if you don't see what you're looking for. If we don't have it we can make it for you!

PLEASE NOTE: Super flags & poles are not interchangeable with standard poles and flags. We have a separate catalog for our swooper flags!
(Yes there are that many titles available!)

Hardware

We have many options of hardware for the swoopers to choose from. Please refer to the Swooper Catalog for detailed information regarding the hardware!

- ✎ Super Swooper 15 foot pole (for the SUPER style flag only)
- ✎ Standard Swooper 15 foot pole (for the STANDARD style flag only)
- ✎ Ground Spike Mount
- ✎ Drill Spike Mount
- ✎ X-Base Free Standing Mount
- ✎ Tow Hitch Mount
- ✎ Tire Mount
- ✎ Fender Guard - used with tire mount
- ✎ Bolt On Roof Mount
- ✎ Angled Steel Post Mount
- ✎ Steel Post Mount

American, State, & World Flags

Economy American Flags

Made from 150 denier polyester with 2 brass grommets strongly crimped to heavy material on a headband. Easy flag pole attachment

American Flags Made in the USA

Nylon/Embroidered Stars USA flags are UV treated to resist fading by ultra violet rays, and made of 200 denier dense nylon with hand sewn stars and stripes. Sun-Glo Stars USA flags are unlike flags with sewn stars that block the light. These dyed USA flags feature radiant white stars illuminated by the bright light of the sun. Sun-Glo US flags are made of 100% Solar Max nylon for extra durability. Nylon Embroidered Stars USA flags are 150 denier nylon, with hand sewn stars and stripes. All of Annin US flags are finished with lock-stitched hems, heavy duck heading and strong brass grommets.

State Flags Made in the USA

State flags made in the USA by SolarMax are UV treated to resist fading by ultra violet rays, and made of 200 denier dense nylon. All of the these flags are finished with lock-stitched hems, heavy duck heading and strong brass grommets.

9 BOARDS

Framed Boards

Framed Chalkboard

Model: cbb-xxxxf

Stock sizes: 12"x 16" - 16"x 24" - 24"x 32" - 24"x 48"

These beautiful hardwood chalkboards are hand stained with deck sealer for durability! The most popular marker board we offer. Our chalkboards are made out of a tough textured Melamine. Melamine is made from a very durable thermosetting plastic laminated over medium density fiberboard. They are very scratch resistant and work exceptionally well with our liquid chalk markers. Also very weather resistant. Choose from black or green.

Framed Dry Erase Board

Model: wnw-xxxxf

Stock sizes: 12"x 16" - 16"x 24" - 24"x 32" - 24"x 48"

These beautiful hardwood dry erase boards are hand stained! Constructed out of Melamine laminate over medium density fiberboard, they are constructed similarly to our chalkboards, but with a high gloss white finish required for great performance with dry erase markers. Melamine is made from a very durable thermosetting plastic laminated over medium density fiberboard.

Framed Acrylic Board

Model: bnp-xxxxf

Stock sizes: 12"x 16" - 16"x 24" - 24"x 32" - 24"x 48"

These beautiful hardwood framed acrylic boards are hand stained! Solid colored thermoplastic or polymer, known as Plexiglas or Acrylic Glass. All our acrylic panels are cast (molded) into sheets, not extruded, which can produce unsightly ripples. The panels are 100% weatherproof. They are available in black or white. Our waterproof Neomarkers and Neochalk liquid chalk markers are a perfect match for this board! Now available in Matte Finish. For a chalkboard appearance on durable acrylic!

Unframed Boards
